

Dear Hockey Families,

Below you will find a clear breakdown of our seasonal program fees, what is fully covered in your tuition, and exact practice and game structures.

CRITICAL FIRST STEP BEFORE REGISTERING

Before proceeding to our club registration link, **all players must first register with USA Hockey for the 2026-27 season.**

- **Important District Requirement:** When registering on the USA Hockey website, you **MUST select KANSAS as your home state**, regardless of which side of the state line you reside. This ensures your player is properly rostered within our affiliate district without administrative delays.
- **USA HOCKEY REGISTRATION LINK - [USA Hockey Member Registration](#)**
- Once completed, keep your 2026-27 USA Hockey confirmation number handy, as our system will require it to complete your club registration.

2026-27 Age Classification Table

To ensure you register your player for the correct division, please refer to the USA Hockey birth year guidelines below:

Age Division	Birth Years Included

8U	2018 and 2019
10U (Squirt)	2016 and 2017
12U (PeeWee)	2014 and 2015
14U (Bantam)	2012 and 2013
High School	2008 through 2011

⚠️ Kansas City Hockey Club Travel Tryout Registration & House Safety Net

VERY IMPORTANT NOTE: If you plan to tryout for travel, registering for travel tryouts automatically secures your player's fallback spot at the house league level. **We have strictly limited roster spots available for our house league teams this season.** Because of these capacity limits, we want to ensure we are actively protecting and holding spaces for players who participate in tryouts but ultimately do not make a travel team.

If you have not registered for Kansas City Hockey Club travel tryouts yet, please use the link below to get signed up:
